

ONE YEAR PERFORMANCE TRAINING OUTLINE

The Programme will start in March 2010, leading to a Song and Choral Festival in Dublin, 2011. The programme will run over a 1 year period, with the months of August and Jan being holiday months.

There will be an open Day on Sunday March 14th sharing the vision for the training. This is very important to attend as it will set the tone and outline the aims of the training.

There will also be a residential weekend, facilitated by Chloe, in September 2010, to immerse ourselves in a well of silence and consolidate our rehearsals. It is essential that all participants attend this weekend.

Chloe will facilitate 5 weekends, every second month, with Naked Voice Facilitator Graduates facilitating, 1 day workshops, for the other months.

Participants must attend 6 of the trainings in total in order to participate in the Song & Choral Festival. However of these six, four must be with Chloe including the April, September Residential and February 2011 weekends.

Participants must pay the full amount for the training programme regardless how many weekends they attend.

We are aiming to keep costs as low as we possibly can. At the moment the cost per person, including the cost of the residential is €995. There will be a limited number of concessionary places available at €695 per person, These figures may change slightly as we have not fully secured details for our residential weekend. Once all is confirmed exact figures will be given.

This amount can be paid in instalments, with an initial non-refundable deposit of €300 (€150 for concessionary places). To secure a place you need to pay 50 euro immediately, and the remainder of the deposit by the 1st March 2010. However, once committed to the programme, a contract must be signed to agree to pay the full amount for the training, regardless of whether you complete the programme or not. The contract will also include details of how to pay by instalments.

There will be 12 concessionary places (25% of total places) from the minimum 50 people required. These places will be given out on a strictly first come first served basis. Thereafter, there will be 1 concessionary place available out of every 4.

In the interest of fairness and to ensure that the concessionary places go to people who really need them and have no other means of obtaining finances the following criteria must be applied to qualify: unemployed without the support of family, full-time student, or low paid part-time worker with no other means of support.

A minimum of 50 participants is required for the Training to go ahead
